

***Ph.D. in Advanced Biomedical and Surgical Therapies
XXXVII CYCLE***

Instructions for application submission

Applicants must email Ms. Anna Vecchiarini (anna.vecchiarini@unina.it) no later than 72 hours prior to the application deadline (as indicated on the call for applicants), including the following text: ***"The undersigned *first and last name* hereby requests the UNINA FileSender Voucher to be sent to this email address to apply for the Ph.D. course in Advanced Biomedical and Surgical Therapies (37th cycle)."***

A UNINA FileSender Voucher will be then delivered to the applicant's email address. The candidate must submit the application form and supporting documents, as specified below, through the aforementioned service.

The required documents (duly filled out and signed application form, qualifications, research project, participation fee payment receipt) must be collected in a single ZIP folder and sent digitally via UNINA FileSender to the email address anna.vecchiarini@unina.it no later than **May 27th, 2021**, at **noon**. Late or incomplete submissions will not be considered.
